

## Billet Picture Frame

A sculptural object that highlights the natural interplay between fine leatherwork and solid wood. The face is crafted from Tuscan vegetable-tanned leather, featuring meticulous whip stitching around the outer edge and a refined, creased detail along the internal border. The back is formed from a solid block of rounded timber. The photograph is protected by a thin perspex sheet.

Available in landscape or portrait, and in two standard photo sizes.

Standard lead time: 4-6 weeks.

Always made by hand in our workshop in Norwich, UK.
