Crafted from the finest Tuscan vegetable-tanned leather, this handmade tissue box cover is a refined way to present a useful everyday object. Expertly hand-stitched using a traditional bar stitch, it showcases meticulous craftsmanship and durability. The base is secured with discreet magnets. Solid cast brass equestrian hardware from one of Britain's last foundries adorns the design. Designed to pair beautifully with the Eyelet wastepaper bin, this piece is a little testament to timeless craftsmanship and functional luxury.
