

## Camber Armchair

The frame is hand-joined and turned with a wedged tenon feature. Sculpted arms are selected from three inch thick oak for optimal strength and grain. The leather seat and back are hand cut from the finest quality oak bark tanned bridle leather, with the backrest double faced for strength and aesthetics. Each seat base is fitted with eyelets and natural rope to adjust tension as it gives over time.

Standard lead time: 8-10 weeks.

Always made by hand in our workshop in Norwich, UK.
