

Cinch Bench

The Cinch bench showcases a full side of oak bark tanned bridle leather. The solid timber frame features hand finished brass pinned tenons and gently radiused features to soften the look and feel. Each leather strap is hand cut, bevelled and burnished with beeswax for a more refined look and durable finish. The carefully wrapped Danish paper cord shelf adds both function and texture, making it a versatile seating solution.

Standard lead time: 8-10 weeks.

Always made by hand in our workshop in Norwich, UK.
