

## Large Assembly Tray

Designed for both practicality and elegance, this leather organisation tray showcases the natural beauty of traditional full grain vegetable-tanned leather. Each basket is made from one shoulder of leather. Its clever folded construction creates soft, rounded edges, giving it a smooth, tactile feel, while the stitched base ensures durability and structure. Perfect for holding everyday essentials, it brings effortless organisation to any space. Simple yet refined, this piece highlights the character of the leather, and will age beautifully over time.

Standard lead time: 6-8 weeks.

Always made by hand in our workshop in Norwich, UK.
