

Large Log Basket

Inspired by traditional West Country orchard gathering baskets. The large leather panels reveal the full character of the oak bark-tanned leather, which is carefully cut, dyed, polished, and hand-riveted around a solid ash timber base. The handles are stitched and worked to brilliant shine for a warm and tactile feel. Designed for firewood, blankets, or toys, each basket is unique, with a natural patina that develops over time.

Standard lead time: 6-8 weeks.

Always made by hand in our workshop in Norwich, UK.
