

Rhapso Cabinet

The design is defined by its detail and tactility, featuring hand-stitched leather doors and wrapped bridle leather lace handles that contrast with the precision of the dovetailed drawers.

Constructed with integrity from every angle, the back is finished with matching shiplapped elm boards, while the interior houses solid drawer bases.

Customisable to accommodate cables and any optimisation for use.

Standard lead time: 8-10 weeks.

Always made by hand in our workshop in Norwich, UK.
